"Our credit information is reported to National Association of Credit Management. Please call NACM MidAmerica 405-235-1341 to learn more about reporting your information and receiving other supplier data"

- For information like what you have requested and an opportunity to meet other professional credit managers, I encourage you to visit the NACM MidAmerica website www.nacmservices.com and learn how this method of reporting information is easy and cost effective.
- The information that I receive from NACM MidAmerica is always accurate, relevant, valuable and up-to-date.
- There are instantaneous communication systems available.
- Membership with NACM MidAmerica connects a credit professional like yourself, who represents leading companies in your industry, to join together to share factual information on a common customer base through an industry credit group.

The NACM web site is a valuable resource that includes many of the available services for credit departments just like yours. www.nacmservices.com

For more information regarding the services available, I encourage you to contact: Danny Morel @ 405-235-1341 or danny@nacmservices.com. Please let him know that we recommended you. Below is a listing of our monthly local group association meetings by industry:
